

High Meadows "Hummer"

Roaring Gap, NC

March 2016

General Managers Message

High Meadows is truly a short wedge from heaven! Some of the best traits members have shared with me about High Meadows are the peace and quiet, the closeness to parks, mountain trails & mother nature. You're happy your cell phones don't always work and you're grateful to be out of the rat race of the larger cities. You value the amazing camaraderie and fellowship between members. With that in mind, we have added a new column to this month's Hummer. "Out & About - Local Happenings". We're excited to share with you some of the positive activities and happenings going on in and around Alleghany County. This column will be in the Hummer throughout 2016 to keep you informed about events you will surely want to be part of in the surrounding communities! We are proud of our small towns and want to embrace the small town qualities that make our club and our communities so special.

2016 will be the year we all work harder to get our name out there! We are exploring marketing strategies that we have not used in some time. We will work to build new relationships and strengthen old ones. We ask all of you to share your positive stories about High Meadows Golf & Country Club, so more folks will want to live in our community and be part of our club. Invite some new friends to play golf this spring & summer! Every Golf & Social member will receive a gift from the membership committee and the Board of Directors just to say thanks for being part of our family... coming to you in May! Your club is amazing but to know the true value, you have to experience all that we have to offer!

The season is kicking into gear: Have you made your reservations for March and started saving dates for April? Our F&B team will have special menus for Mardi Gras starting Wednesday, March 9 & Saint Patrick's starting Wednesday, March 16 you know some green beer will be available! Join us for our Easter Feast on Sunday, March 27! Make your plans for our First BINGO night Saturday, April 2 then get ready for **FRIDAY NIGHT LIVE!** Just to add more fun, on the second Friday of each month we'll feature live music from a variety of singer-songwriters all season long, beginning on April 8 from 6 till 9. Watch for upcoming e-mails about our artists. Save the date for Saturday, April 23 for the

A Word From The President

This is going to be an exciting season for our club. Nathan, Mike Carlton and the Greens committee have been working hard to be ready for the season. The new equipment is here and our team has already begun the process of becoming familiar with it. You will see work being done to clean up the wooded areas along the course. The drainage problem along #8 is also being repaired.

The failing computer system that manages our irrigation system is being replaced. This will allow Nathan and his crew to know exactly when scheduled watering takes place. We will be dry-jecting our greens this year to extend and maintain their life. This process blasts aeration holes through the root zone to fracture the soil while a vacuum technology fills the holes with sand. Work is continuing on the putting green to repair the damage caused by winterkill.

Sally Earnhardt and the House Committee have completed the inside painting of the clubhouse. The hardwood floors in the great room have been repaired and refinished. Any of you that have been to the clubhouse would surely agree that they look fantastic. The clubhouse renovation is a continuing project that will be completed as money is available.

Paul Perlik and the Membership committee have worked tirelessly to find the best approach to attracting new members. They have many activities planned to introduce new members to High Meadows.

Tony Misenheimer and the Golf Committee are planning a golf schedule that will make this season filled with fun activities.

Sue Tally and her committee are reviewing the By-Laws, club policies and personnel policies. This requires tedious

Ladies News & Notes

Ladies, hope all are gearing up for a fun season in High Meadows and you have put our LGA dates on your calendar, beginning with the "Kick In" coming on Saturday, May 14, 2016. We'll play a little golf, have our opening meeting, and of course eat! We are working on our directory, so if you have any informational changes or updated pictures, please get those to Donna in the office. If you are new to High Meadows, or to golf, or simply would like to be a social member with us, it is never too late to join! Feel free to contact Donna in the office or Janet Knott at jcknott@nc.rr.com.

Enjoy the rest of your winter.

Janet Knott, Dian Ramey, Peggy Cooper, and Cindy Lee Middleton

Attention LGA & MGA

Remember the Co-Ed Points Chase! When weather permits! The more the merrier so please try to join us when you can.

Just call the Golf Shop to sign-up.

effort to examine these documents to see if they comply with the current needs and requirements of our operations.

Charlie Tucker and the Roads committee have been hampered by the weather but have a full schedule planned for this season.

Allen Williams and the Finance Committee are working diligently to put the finishing touches on the budget.

Pat Green and the Social committee have assured us that they have planned activities that will help us do what we do best and that is party!

High Meadows and our members are the best. Let's think about the positives in our lives and make the year a Fun Fest.

All the Best,
Brad

SURRY COUNTY

March 19th: Barter Theatre comes back to Elkin

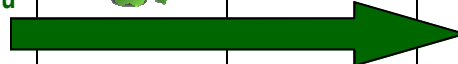

April 1st & 2nd: Surry Old Time Fiddlers Convention.

Elkin Trails Association

Elkin Valley Trails Association is a non-profit affiliate of NC Rail-Trails Inc. In 2014 EVTA was awarded the "Golden Spike" award by the NC Rail-Trails for outstanding activities on the trails. Volunteers are working on the trails in Elkin, one of which follows the old Elkin & Alleghany railroad bed. A new bridge is being built this summer so the trail will ultimately be the Mountains-to-Sea trail between Stone Mountain State Park and Elkin/Jonesville and Pilot Mountain. Several sections of the trail between Elkin and Stone Mountain have already been completed. A six mile mountain bike trail in Elkin should be complete by summer. Sparta has just started an organization as well, and the trail from Sparta will go to Stone Mountain. Plans are also in the works to have hiking and biking trails to local wineries. These are exciting times for hikers and bikers, and equestrians as well, as part of the trail will be designated for them with no bikers. Come on out and check out the trails. For more information about the trails and volunteering, visit their website at elkinvalleytrails.org, or contact Dolores Neil at 363-6035.
